

X-CM56B Vertical speaker setup

X-CM56B Horizontal speaker setup

Listen to CDs, FM/AM radio, and audio files via USB, as well as music streamed by Bluetooth® Wireless Technology. What's more, the NFC feature provides one-touch pairing with compatible devices such as smartphones. The stylish woodgrain (X-CM56B model only) design goes well with any room décor, with speakers allowing vertical or horizontal placement.
